# Registration

Click on the registration link provided on the CEDI Web site.

The following screen will display.

The screenshot shows a registration page for a webinar. At the top, it says "Webinar" in large white text on a green background. Below that, it specifies the date and time: "Wednesday, July 27" and "1:00 PM - 2:00 PM EDT - [Show in my Time Zone](#)". A dark green bar contains the text "Webinar Registration". The main content area is light green and features a registration form titled "Register for Our Webinar". The form includes three input fields: "First Name:", "Last Name:", and "Email Address:". The "Email Address:" field has a small orange question mark icon. Below the fields, there is a note: "\* Indicates a required field". A paragraph of text explains that clicking "Register Now" submits information to the organizer. At the bottom of the form, there is a "Register Now" button (highlighted with a red box) and a link for "View system requirements".

Your email address and personal information will be used by the Webinar organizer to communicate with you about this event and their other services. To review the Webinar organizer's privacy policy or opt out of their other communications, contact the Webinar organizer directly.

Safeguarding your email address and Webinar registration information is taken seriously at GoToWebinar. GoToWebinar will not sell or rent this information.

View the [GoToWebinar Privacy Policy](#).

Fill in the required fields.

Click Register Now

# Thank you for registering

## Registration Complete

You have successfully registered for the following Webinar:

**Webinar**  
Wednesday, July 27 1:00 PM - 2:00 PM EDT

[Add to your Outlook calendar.](#) 

A confirmation email has been sent to you.

1. At the time above, click this link to join the Webinar:  
<https://www3.gotomeeting.com/join/448651422/1066515424> 

This link **should not be shared** with others; it is unique to you.

2. You will be connected to audio using your computer's microphone and speakers (VoIP). A headset is recommended.

Or, you may select Use Telephone after joining the Webinar.

Toll: +1 (484) 589-1010

If you have joined the Webinar before the Organizer (the person hosting the Webinar), the following screen will display.

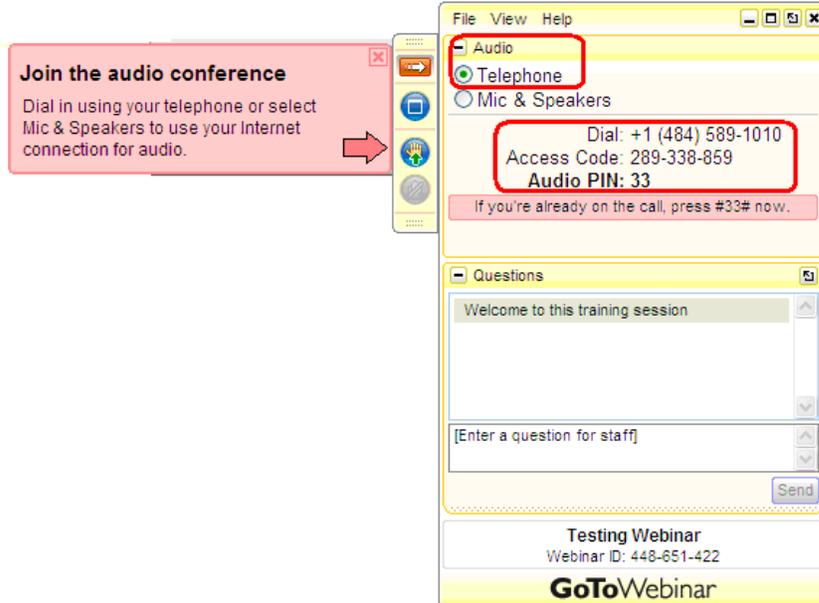

**NOTE:** While you can use the microphone and speakers on your computer to listen to the Webinar, you **must** dial in to the Audio phone number to be able to ask questions.

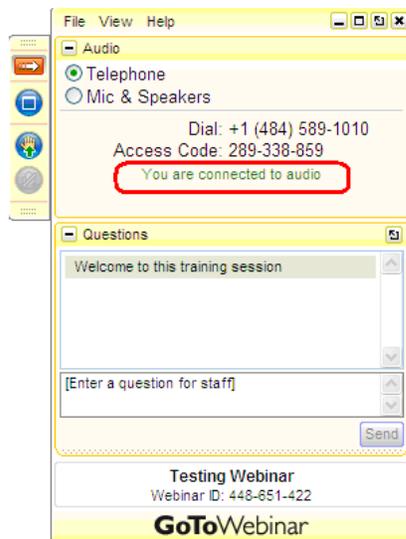

Once the Organizer joins the Webinar, the following screen will appear until the presentation begins.

You will also receive the Webinar Tool Bar.

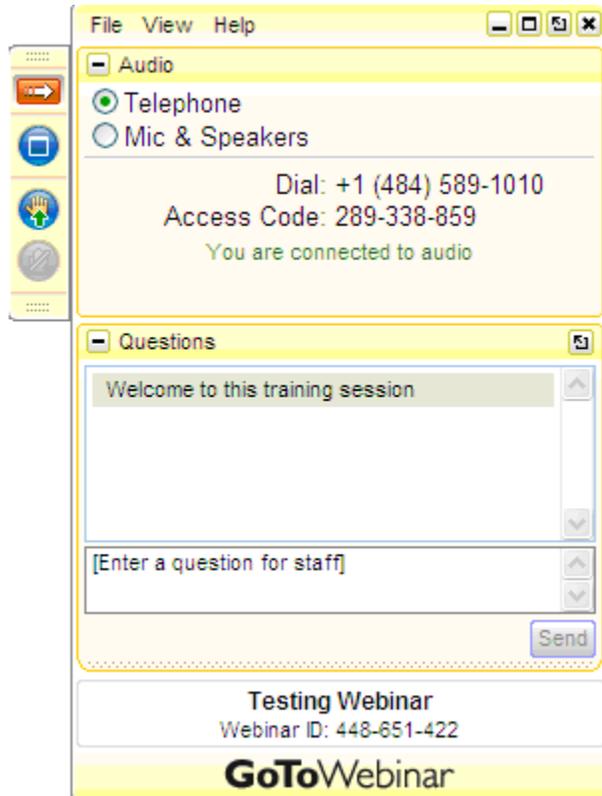

Under **Audio** select the Telephone radio option. This will display the phone number, access code, and audio pin you will need to join the call. Once you have dialed in, it will indicate that you are connected to the audio.

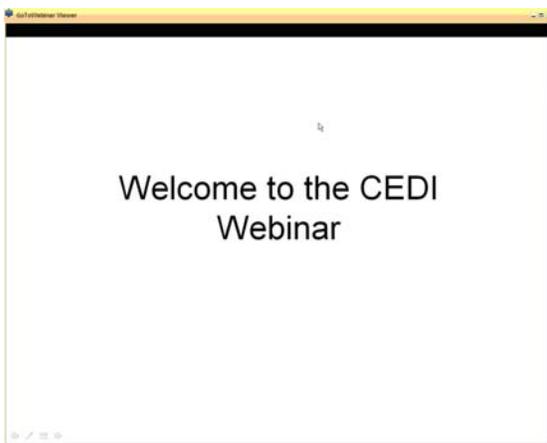

**NOTE:** You must join the Audio portion of the call to be able to ask questions. The Organizer will not be able to hear you ask questions if you are using your computer's microphone & speakers option.

## How to Use the Webinar Tool Bar

This is the Webinar Tool Bar.

Once the Organizer has started the Webinar, a display of their screen will automatically appear in the GoToWebinar Viewer.

Use the blue window button to choose if you want the presentation to fill the monitors screen;

Or appear in a window.

The red arrow will minimize your Webinar Tool Bar;

Or return the Webinar Tool Bar to full view.

The hand with the green arrow (raising your hand) will allow the Organizer to see that you have a question.

The hand with the red arrow (lowering your hand) will let the Organizer know that your question was answered and no longer have a question to ask.

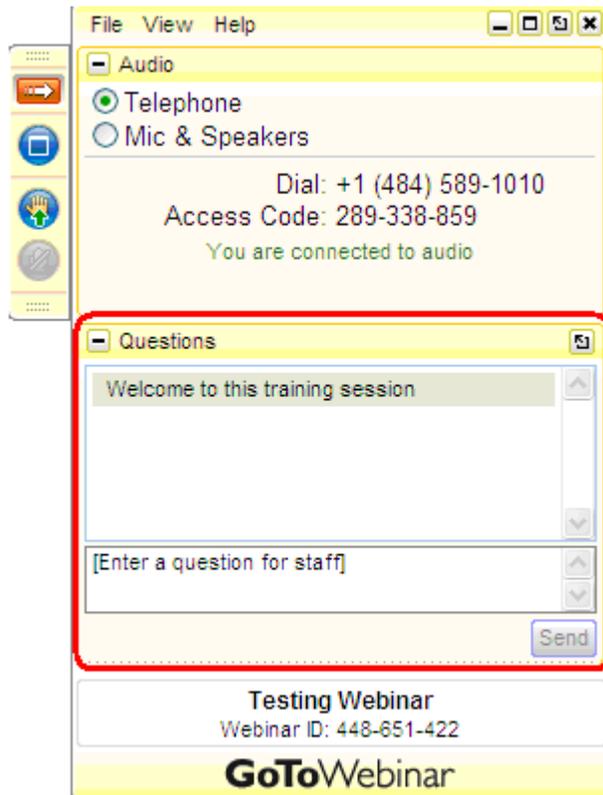

This will allow you to minimize the Tool Bar completely.

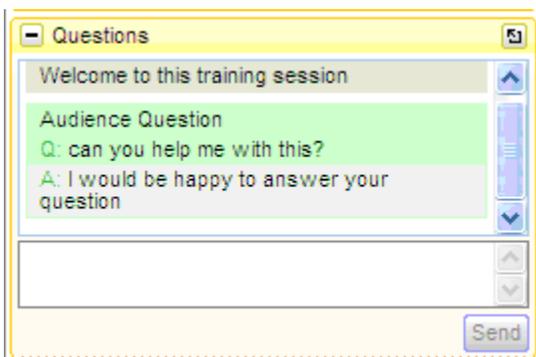

This will allow you to move the Tool Bar to the other side of your screen.

The Questions section will allow you to type questions to the presenter instead of asking it aloud.

When the Organizer answers the question, it can be replied to individually or back to everyone participating in the Webinar depending on the type of question.

If the question is responded back to the whole group, a message will appear in the Questions section showing the original question and the Organizer's reply.

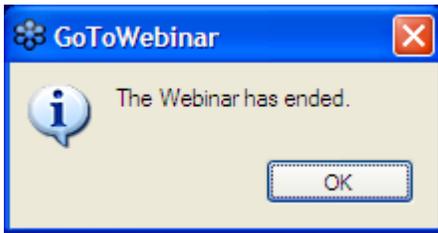

## Closing the Webinar

If you leave before the end of the Webinar, you can click the X in the top right corner of the Webinar Tool Bar to exit.

If you wait for the Organizer to leave the Webinar, you will see the following screen.

Just click OK.
